

PUBLIC NOTICE

TOWN OF BRENTWOOD

Mosquito Control

The Mosquito Control program begins the week of April 4, 2016 in the Town of Brentwood. Crews from Dragon Mosquito Control will be checking swamps, marshes, woodland pools, ditches, storm drains and other shallow, stagnant water for mosquito larvae. When mosquitoes are found, the following insecticides may be used:

VectoBac (Bacillus thuringiensis israelensis)
VectoMax WSP (Bacillus sphaericus and Bacillus thuringiensis israelensis)
Natular (spinosad)
Altosid (methoprene)
BVA 2 Mosquito Larvicide Oil (highly refined petroleum distillate)
CocoBear MLO (mineral oil)
AquaBac 200G (Bacillus thuringiensis israelensis)

If Eastern Equine Encephalitis or West Nile Virus is found in or near Brentwood, then emergency spraying may be conducted using one or more of the following products:

Cross Check Plus (bifenthrin)	Permanone (permethrin)
Duet (sumithrin & prallethrin)	Zenivex (etofenprox)
DeltaGard (deltamethrin)	Mavrik Perimeter (tau-fluvalinate)
Essentria IC ³ (rosemary oil, geraniol, peppermint oil)	

Emergency spray treatments may be conducted at the following locations:

Swasey Central School
Brentwood Recreation Area
Library Field

It is not possible to predict if emergency spraying will be necessary. The spray schedule is based upon mosquito surveillance data, disease test results and weather conditions. Further communication will be given if emergency spraying is going to take place.

Residents who do not want their wetlands treated may use our No-Spray Registry online at www.dragonmosquito.com/no-spray-request-2016 or write to Dragon Mosquito Control, P.O. Box 46, Stratham, NH 03885. Be sure to include your name, physical address, phone number, and a description of your property with boundaries. Residents who would like to have their stagnant water checked for mosquitoes may call our office at **734-4144** or email Info@DragonMosquito.com. There is no charge for this service. Contact us for more information on spray dates, location, materials used, precautions or other concerns.
